Practices**

i2P2M - International Institute of Projects and Program Management, a non-profit company incorporated under Section 8 of the Companies Act is a premier institution dedicated to providing world-class education in Project, Program and Portfolio (P3) Management.

i2P2M began its journey in 2011 with the Vision to provide the best possible project management executive education globally to executives and senior managers across all industries. i2P2M's Vision is to equip project leaders, managers and professionals from all sectors to handle the complexity of tomorrow by building their Knowledge, Competency and Leadership through comprehensive learning with its application at their workplace, exposure to best practices, relevant case studies, real time computer based simulation of complex project and leadership scenarios and experience sharing with industry stalwarts. Its objective was to establish itself to be foremost in imparting an International Executive Diploma in Project

Management (IEDPM) globally and be a leading project management certification body.

In last 8 years, i2P2M has realized its Vision with astounding success creating a new benchmark in executive education at a global level. The 16 Uniqueness of I/EDPM's part time diploma program is at the core of this accomplishment.

i2P2M has collaborated for its I/EDPM Program with The George Washington University, School of Business, Washington DC, USA which is the foremost university in project management in USA.

**The Academic Industry Council (AIC) of i2P2M has Distinguished individuals from Academia, Industry, R&D organisation and Representatives of Ministry of Power, ISRO and ASSOCHAM. Ministry of Power has nominated its representative in the i2P2M AIC right form beginning in 2011.**

**In NITI Aayog's report of the Task Force on Project & Program Management, i2P2M is recognised as a global PM Certification Institution.**

#### **Excerpts from NITI Aayog report**

**"The curriculum to address following knowledge areas for project management and should consider the project from concept to commissioning encompassing all life cycle phases i.e. Conceptualize, Plan, Organize, Implement, Control, Integrate, Deliver/closeout and Knowledge Leverage."**

The Certificate In Project Management (CIPM) credential examination which is aligned to the above 8 project life cycle phases recommended by NITI Aayog. i2P2M is the only global certification institution that administers CIPM.

**i2P2M's revolutionary approach to learning & development is creating ripples worldwide**

- i2P2M's Vision is to equip project leaders, managers, professionals from all sectors, engineering graduates, trainees and students to handle the complexity of tomorrow by building their Knowledge, Competency and Leadership through comprehensive training of cutting edge knowledge covering both hard and soft sides of project management and exposure to best practices through relevant case studies, real time computer based simulation of complex project and leadership scenarios and experience sharing with industry stalwarts.
- Its objective was to establish itself globally to be a leading project management Certification Body and to be foremost in imparting an International Executive Diploma in Project Management (IEDPM).
- In shaping i2P2M, three pioneer Chairpersons of i2P2M's Academic Industry Council (AIC) are:

**2008 - 2010**, Adesh Jain who is a former and till date, the only non-European to have been President of IPMA, Switzerland in it's history of 54 years. A global PM visionary, his stamp was released by government of Turkey in 2010 in recognition of his global contribution.

**2011 - 2013**, Late Dr. Nitish Sengupta, Former Member Secretary, Planning Commission, a renowned administrator and management guru. He was a prolific reader and authored many books. He was Chairman of BRPSE.

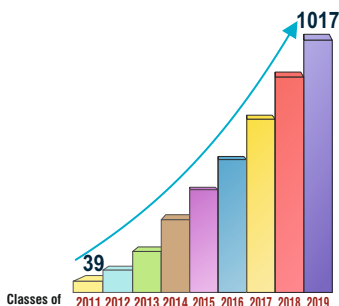

**2014 onwards**, TKA Nair, a renowned administrator, was Advisor to Former Prime Minister of India with the rank of Minister of State. He also previously served as Principal Secretary to former Prime Minister.

The Academic Industry Council (AIC) of i2P2M has Distinguished individuals from Academia, Industry, R&D organisation and Representatives of Ministry of Power, ISRO and Assocham.

## i2P2M Certifications

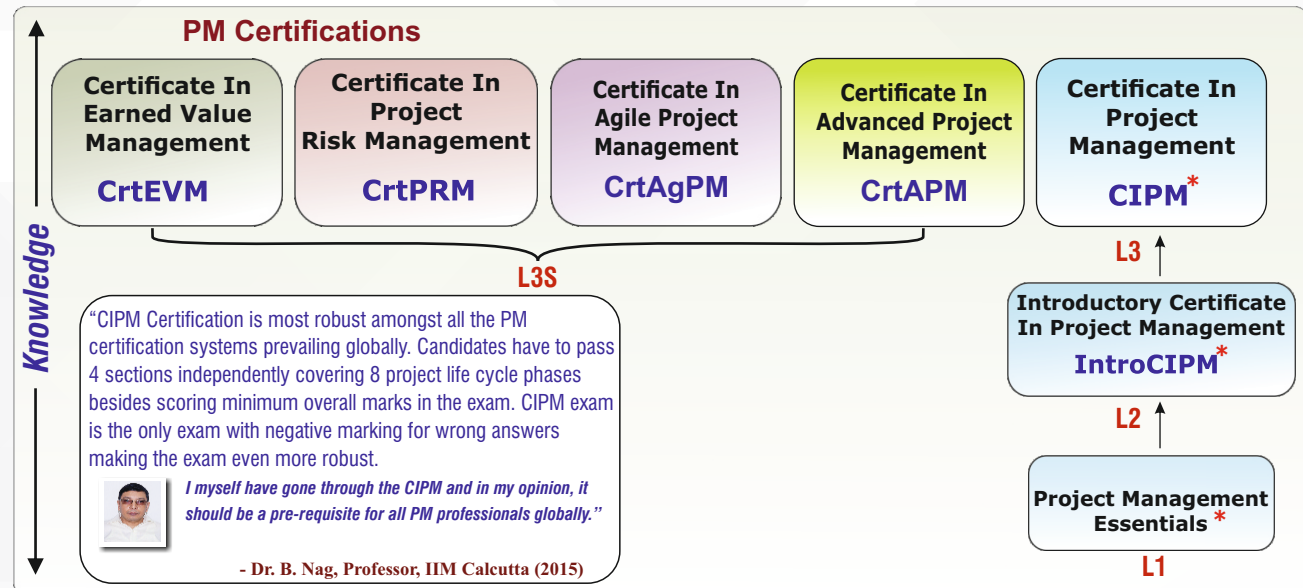

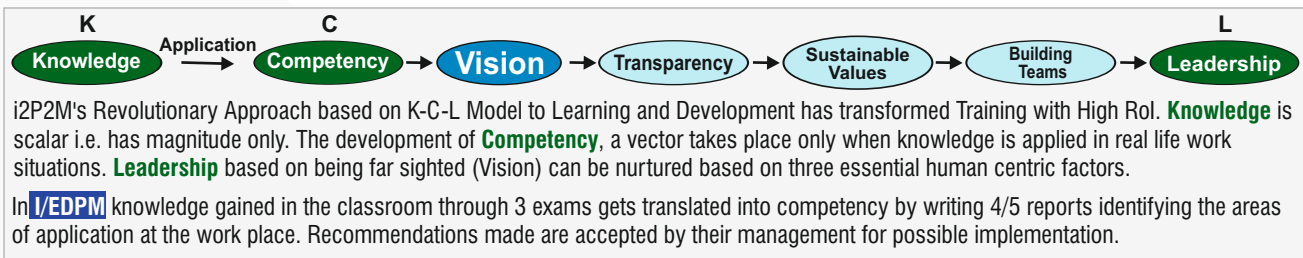

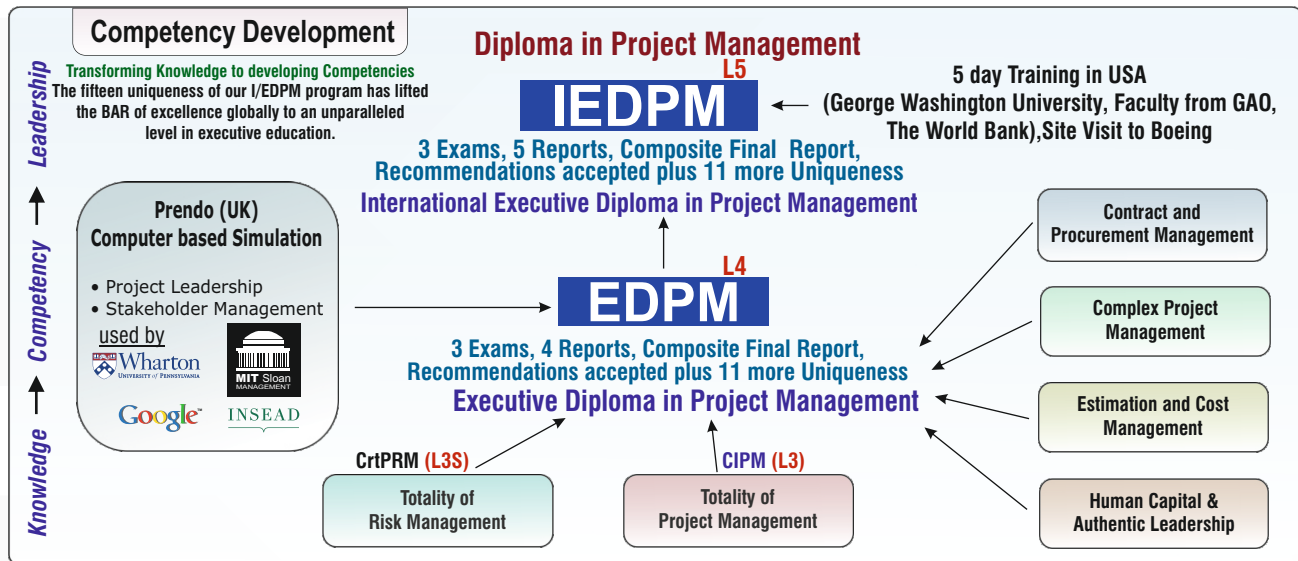

- i2P2M administers **nine** project management certifications based on the global best practices and has also added contents most relevant to Indian context like Stakeholder Management, Health, Safety, Environment, CSR and Contracts.
- i2P2M's globally recognised **Certificate in Project Management (CIPM)** credential is based on 8 project life cycle phases which is considered to be the most advanced globally. Generally 5 project life cycle phases are considered by PMI and others. The three project life cycle phases added by i2P2M are **Organize, Integrate** and **Knowledge Leverage**. This makes CIPM the most robust in content and in conceptual framework. This is i2P2M's contribution to global PM Community.

## i2P2M Diplomas

i2P2M in association with The George Washington University, Washington D.C., USA has set a new benchmark in executive education. With its 16 uniqueness, the International/Executive Diploma in Project Management (IEDPM) program has created a world record with 62% growth in the enrolment in 2018.

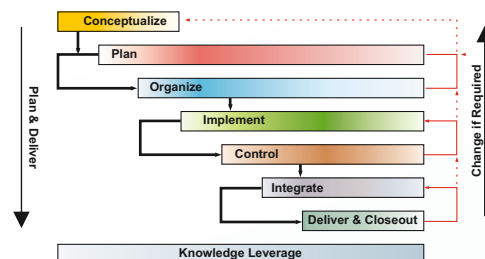

- As on date, we have 1017 top-notch professionals who have undergone International / Executive Diploma in Project Management (I/EDPM) program in India and USA. These professionals from 114 organisations national and international have **developed competencies and applied the same at their workplace to yield substantial benefits resulting in documenting the best practices.**

\*L1, L2 and L3 are based on most versatile 8 Project Life Cycle Phases as given below

## Legend for complete career path

- L5** IEDPM Diploma } **Competency Development**
- L4** EDPM Diploma }
- L3S** Special Certification for project professionals
- L3** All employees including project executives
- L2** Executives from supporting functions like HR & Accounts
- L1** Graduates

**i2P2M has extremely robust exam process.  
Is only global PM Certification body with negative  
marking in all it's certification exams.**

## Made in India PM Credential with Global Reach and Recognition

“What makes Certificate In Project Management (CIPM) program world class is its comprehensive syllabus covering 8 project life cycles phases, 36 knowledge areas and 117 concepts with an extremely robust certification process. **I myself have gone through the CIPM and in my opinion, it should be a pre-requisite for all PM professionals globally.**”

- Prof. Dr. B. Nag, IIM Calcutta (2015)

“Certificate In Project Management (CIPM) is unique and should become **a must for professionals of an enterprise to create a common vocabulary**”

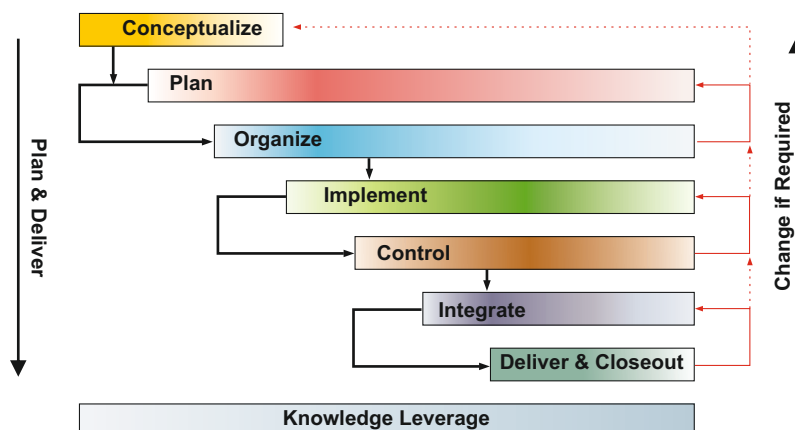

- Dr. Hiroshi Tanaka, President, Project Management Association, Japan. (2007)

“**Certificate In Project Management (CIPM) is a major step forward for the PM profession**”

- Dr. Vladimir Voropajev, President, Russia Project Management Association (2007)

CIPM Certification covers 8 Project Life Cycle Phases, 36 Knowledge Areas and 119 Concepts.

The eight Project Life Cycle (PLC) phases are – Conceptualize, Plan, Organize, Implement, Control, Integrate, Deliver and Closeout and Knowledge Leverage. Each phase has been depicted using different colors of varying intensity showing the intensity of the work during that phase.

CIPM has the most comprehensive coverage of project management with cutting edge tools and technique and soft skills. 3 additional Project Life Cycle phases Organize, Integrate, Knowledge Leverage were introduced first time globally.

**Some of the 36 Knowledge Areas covered are:** Stakeholder Management, Need Analysis, Business Case, Success Criteria, Scope Definition, Time Management, Cost & Finance, Project Management Plan, Roles & Responsibilities, Risk & Opportunity, Procurement, Quality, Information Management & Reporting, Contract Administration, Communication, Organization Structures, Leadership, Motivation, Conflict Resolution, Team Performance, Negotiation, Change Management, Issue Management, Problem Solving, Internal & External Interfaces, Closeout, Post Project Evaluation, Agile methodology, PM Fundamentals, Health, Safety, Environment, CSR etc.

**CIPM certification is unique as it includes global best practices / concepts and relevant issues for India like Health, Safety, Environment, Contracts and CSR and related Indian regulations**

i2P2M – making India proud by  
building globally recognised project management certifications and Executive Diplomas

i2P2M is a not for profit company. Its vision is to equip managers and leaders to face the challenges of future in the context of volatility and uncertainties.

i2P2M's emphasis in imparting executive education is to **Transform Learnings to Competency Development to Application at Workplace and thereafter Measuring Benefits and Documenting Best Practices**

Since its beginning in 2011, we have 1017 top notch professionals who have undergone the rigour of I/EDPM program from 114 companies from International Institution like UNDP, government, public and private sectors. I/EDPM covers 5 Modules (4 in India and 1 in Washington D.C.)

Each Module in India is of 3 days long and is generally held over the weekends. US Module is of 5 days duration and takes place in October every year.

Class of 2019 has 153 senior professionals from 27 organisations. The Indian component got over on September 10, 2019, with astounding success.

Guru Dakshina from Ms. Ruchira Jain, Managing Director of Centre for Excellence in Project Management (CEPM) to Ranjan Kumar Mohapatra, Director (HR), Indian Oil who gave the most thought provoking Valedictory Address on 'Changing HR Spectrum' to the Class of 2019 (Indian Component).

30 Teams from 153 students of Class of 2019 were created to compete in the 2 real time simulation programs. A team combining ISRO, DRDO and ECIL won the Team of the Year 2019 Award. Seen in the photograph is DRDO participants with Dr. AK Singh, Director General Live Sciences, DRDO who handed over the trophy. Dr. AK Singh also spoke at the concluding session.

A team combining ISRO, DRDO and ECIL won the Team of the Year 2019 Award. Seen in the photograph (l-r) Adesh Jain, Director of IEDPM program, Sunil S from ISRO receiving the trophy from Ranjan Kumar Mohapatra, Chief Guest of the closing function and TKA Nair, Chairman, AIC.

India is proud to be one of the few countries of origin in the world conferring globally accepted Project Management Certifications.

The only certification which covers outcome based Benefits Realisation, Health, Safety, Environment, CSR, Contracts in India etc.

It administers nine PM certifications as well as Two Executive Diplomas in Project Management

## i2P2M's bouquet of Project Management Certifications

"CIPM Certification is most robust amongst all the PM certification systems prevailing globally. Candidates have to pass 4 sections independently covering 8 project life cycle phases besides scoring minimum overall marks in the exam. CIPM exam is the only exam with negative marking for wrong answers making the exam even more robust. **I myself have gone through the CIPM and in my opinion, it should be a pre-requisite for all PM professionals globally.**"

- Prof. Dr. B. Nag, IIM Calcutta (2015)
